Subject: Québec - Medical aid in dying: Court challenge.

Update

A Court Case Challenging the Québec's Euthanasia Law Has Been Launched

[Vivre dans la Dignité](#) (Living with Dignity) and the [Physicians' Alliance Against Euthanasia](#) in Québec have launched a legal challenge to the euthanasia provisions in Bill 52 that passed on June 5 ([Link to the media release](#)).

EPC supports the legal challenge and will seek to intervene in this important case.

This month, the Supreme Court of Canada granted EPC intervenor standing in the euthanasia (Carter) case that will be heard on October 15. EPC also intervened in the Carter euthanasia case at the lower court and the BC Court of Appeal.

Important Information:

- The Falconer assisted suicide bill in Britain is being debated today: [Link to the Care Not Killing Alliance information on the bill.](#)
- Dutch ethicist, Dr Theo Boer, who once supported euthanasia wrote an article titled: "[Assisted Suicide: Don't Go There.](#)"
- Paul Russell from Hope Australia reported: [Philip Nitschke Australia's Dr Death may lose his medical license.](#)
- Belgium's Dr Death, [Wim Distelmans, is offering a seminar and tour of Auschwitz.](#)
- UK disability leader, [Simon Stevens, explains why he opposes assisted suicide.](#)
- Due to a new Canadian Anti-Spam Law, express your consent to receive our emails: [Link](#)

Thank you for your continued support.
