Copyright © 2013 La Manif Pour Tous

The "Manif Pour Tous" is a spontaneous and peaceful grassroots movement, which, beyond any religious, partisan or gender concerns, works to preserve the unity of the equal, man-woman parentage guaranteed by French law in civil marriage.

The "Manif Pour Tous" (Demonstration for All) condemns all violence and any sort of homophobia or intolerance, whichever its form.

It condemns any people or organisation who would misuse its name, logo or the image of its leaders or spokesmen.
